AKINSOFT®
Global

We are
AKINSOFT

MISSION

Our mission is to deliver high technology to all sectors and establish solution partner network in Turkey and all over the world in order to support our customers in the best possible way.

VISION

Our vision is to be the pioneer of high technology in Turkey and say "We are here" to the world by taking "There should be no place left where human and humanity are not valuable" as our principle.

AKINSOFT has been established;
in a 15m^2 office
with a computer without a hard disk
without any financial support
on April 12, 1995.

Our Vision Defined In 1995

2000 vision; ✔ACHIEVED

Establishing AKINSOFT İstanbul Regional Directorate,
• Buying a car,
• The first visit solution partner network visit,
• Focusing on software instead of hardware and software

2005 vision; ✔ACHIEVED

• Becoming the highest tax payer in Konya,
• Reaching the potential of employing 300 people,
• Laying the foundations of foreign trade,
• Being the pioneer of software in Turkey.

2010 vision; ✔ACHIEVED

• Starting R&D activities regarding robotic technologies,
• Opening AKINSOFT Istanbul Plaza,

(We achieved the goals of starting R&D activities on robotic technologies and setting up AKINSOFT Istanbul Plaza, one year before the expected time which is 2010. We started to get into the act in the media sector in 2009 by publishing INOVAX magazine.);
Our company is planning to actualize Satellite City Project as well as intending to be the pioneer of software in the world and increase the staff number to 30.000.

2015 Vision; ✔ACHIEVED

• Starting mass production of the robotic technologies that are designed with artificial intelligence to make people's lives easier.

2023 Vision;

(On 26 December 2015, we have announced our 2023 vision which we have been keeping as a secret since 1995.);
• Establishing R&D Center of Space Technologies,
• Establishing AKINSOFT High Technology University.
